

Simmons Services have been established since 1983 and employ a skilled workforce in all aspects of the trade.

Our work includes full Internal & External Re-decoration for example:

- Specialist Coatings
- Multicolour Spraying
- Airless & Conventional Spraying
- Wallcoverings
- Floors
- Multi-Storey work
- Work Requiring the use of Mobile Elevated Work Platforms
- Graffiti Control Contracts
- Measured Term Contracts
- Specialist Finishes including Marbling, Graining, Rag Rolling and other effects

We also carry out repairs and renovations associated with redecoration projects acting as Principal Contractor if required and using our own in house workforce.

You can rely on Simmons to take care of all your needs under one contract.

We employ a team of estimators who can respond promptly to your needs and provide a no nonsense service on site, backed by our Inspection Systems which form part of our accreditation to BS EN ISO 9000 : 2008

### Decorating

— Simmons Services is very proud of its association with Dulux Trade Paints Contract Partnership.

<http://www.contractpartnership.co.uk/partners/simmons-services-limited>

Which ensures a commitment to quality and professionalism in all its operational activity and a tangible commitment to continuous improvement.

Excellent use of technology and a wealth of partnering experience makes Simmons Services a low risk high reward option for specifiers that require sustainability and a complete professional service.
